## *Luxury Safari Adventures In An Evocative Natural Setting*

Immensely private, the Samode Safari Lodge is set in 35 acres of the wildlife-rich forest of Bandhavgarh in the central state of Madhya Pradesh, India. Overlooking the Reserve's buffer zone, the lodge's design—inspired by the local Mardari village—blends seamlessly into the landscape. With stunning Gond paintings on the walls and authentic local artifacts through the property, the Samode Safari Lodge is known for its understated luxury and service that is warm and personal, yet unintrusive.

*Committed to  
rewilding the  
35 acres that we  
are located in.*

The lodge has been designed with a deep respect for the region's environmental and cultural conservation, using local material and local artists.

## *12 premium, private villas*

The Samode Safari Lodge has 12 villas, each with its own private courtyard, a plush living room, a sunlit bedroom and a sprawling private deck. Wooden four-poster beds with scalloped canopies that pair with cosy feather filled duvets and pristine linen, leather armchairs, writing desk and a coffee machine. The bathrooms will hark you back to a contemporary 1930's feel to include brass fittings, a fireside Elizabethan freestanding tub, twin vanity units and the very popular, splendid outdoor shower, a walk in dresser and a dramatic forest-themed local wall mural.

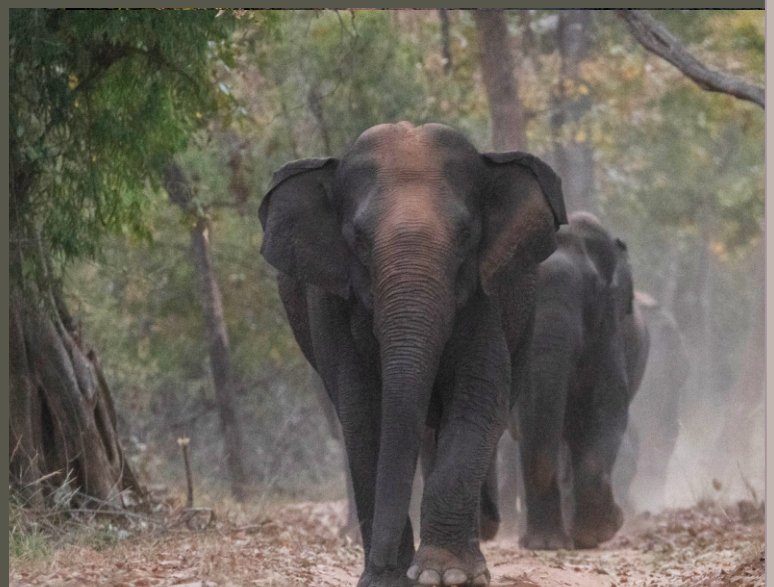

## *Dining: spoilt for choice*

At Samode Safari Lodge, we believe in creating unforgettable moments. That's why no two meals are served in the same venue. Whether you choose to dine in the open-plan fireplace restaurant, by the poolside, on the spacious wooden deck overlooking the forest, or at one of our multiple pop-up locations, each meal promises to be a memorable and immersive experience in the heart of nature.

## *Bandhavgarh: home of the tiger*

With its diverse ecosystem and rich flora-fauna, Bandhavgarh is a haven for wildlife enthusiasts and nature lovers. While most guests come here to see the tiger, you can also spot leopards, deer, wild boar and numerous bird species here. It is advisable to book your safari in advance, especially during the peak season (October - March).

Our lodge enhances the safari experience with personalized adventures, providing private jeeps and experienced naturalists who also serve as your hosts.

## *location*

Located in the central state of Madhya Pradesh, Bandhavgarh can be reached via Jabalpur or Khajuraho. Jabalpur is the closest airport to Bandhavgarh and is about a three-and-a-half hour drive. The Khajuraho airport, which is about 5 hours away, is also a convenient airport especially if you include this beautiful temple town in your tour itinerary.
